### Greetings:

The officers, directors and members of the Carolina Feather Fanciers Association extend to you, your family and friends a special invitation to exhibit your birds and visit with us at our fall show. Due to events beyond our control we had to cancel the spring show at the last minute. The club members pulled together and worked out the arrangement to have a fall show this year. Once again we will be receiving water fowl large ducks, geese and also turkeys. We sincerely hope that you will show with us this fall. At each show we have several fund raisers to help supports the club which allows us to have a show and poultry education sessions throughout the year. Sadly, we have had to increase the fee to \$3.00 per bird, and \$6.00 per bird for double cooping. There will be a Silent Auction Raffle, and Food items for sale. Feel free to take part in any or all of our fund-raising events.

We will have a Great Breakfast and Lunch in the Dining area, so come in and dine with US. The menu will be posted in the dining area. We prepare everything and most of the cooked items are cooked on site to make sure they are hot and fresh. Also our prices are much less than the local Eateries.

Club members of breed clubs that show with us who wish to compete in a meet from their breed club will need to have their breed club place a meet with us at least two months before the show to be listed on the web site and in the show book that is mailed out. We are taking this action because for years we have requested meet and no one would show in that breed or no club members would show in that breed. There for we will only host those meets that there is interest in.
